

Dear ACA Parents,

We are happy to continue our partnership with Catering Solutions, a renowned catering company based in South Florida, for this upcoming school year. All food is prepared at an off-site location, with proper licenses and food safety handling protocols. Food will arrive at ACA prepackaged and warm for distribution.

Please log in at <https://caterfla.ahotlunch.com/login> and sign up for an account so you can order lunch for your children throughout the upcoming school year. After you activate your account, you will need a school code to add your children. **Your school code is 4900.**

You can also use the HotLunch School Software iOS App available by clicking: [HotLunch App](#), or by scanning the QR Code below. The domain name is **caterfla**.
